Mr. Jerrod Mustaf  
Executive Director  
Take Charge Juvenile Diversion Program, Inc.  
7610 Pennsylvania Avenue, Suite 300  
Forestville, MD 20747

Dear Mr. Mustaf:

As Chair of the Prince George's County Council, representing District 4, I am honored to submit this letter of support to the Take Charge of Your Life Juvenile Diversion Program, Inc. for the services they provide to youth, families, and communities in Prince George's County.

I support Take Charge Juvenile Diversion Program's mission to focus on safer communities to live, work, raise families and attend schools. Take Charge achieves their goal by targeting at-risk families; youth and students; and schools and communities, by providing them with an array of crime prevention-intervention services.

I write this letter of support to help Take Charge attain funding that will enable them to continue to provide the level of services that they have provided in the past, as well as to expand in the future to confront critical quality of life issues that affect youth and families in Prince George's County. If I can be of further assistance or help answer any questions, please do not hesitate to contact me at (301) 952-3094.

Sincerely,

A handwritten signature in black ink that reads "Ingrid M. Turner".
