Mr. Jerrod Mustaf, Executive Director
Take Charge Juvenile Diversion Program, Inc.
7610 Pennsylvania Ave # 300
District Heights, MD 20747-4701

Dear Mr. Mustaf:

The Maryland-National Capital Park and Planning Commission (M-NCPPC) fully supports the Take Charge Juvenile Diversion Program, Inc. in their application to provide Mentoring Services.

M-NCPPC works closely with the Take Charge program to bring about the shared vision of a comprehensive gang prevention program that provides education to parents and youth about the dangers of gang life.

We support this project application to bring additional expertise, knowledge and public attention to focus on safer communities to live, work, raise families and attend school. Take Charge achieves their goals by targeting at-risk families, schools, and communities by providing them with an array of crime prevention-intervention services.

M-NCPPC and the Prince George's County Department of Parks and Recreation are in support of the Take Charge Juvenile Diversion Program to continue and expand their level of services to confront critical quality of life issues that affect youth and families in Prince George's County.

Sincerely,

Ronnie Gathers, Director
Department of Parks and Recreation
