To Whom It May Concern:

This letter serves as an endorsement for Mr. Jerrod Mustaf of the Take Charge Juvenile Diversion Program Inc., Forestville, Maryland. Mr. Mustaf has shared a unique relationship with the Prince George's County Police Department for several years as one of our most avid community activists working closely with at-risk families. His organization's youth programs have contributed to the vast reduction of violent crime in Prince George's County, Maryland.

I strongly support Mr. Mustaf's endeavor to continue providing such successful youth initiatives within our community. As we plan our summer strategies, we must remember that the most essential element in the creation and support of our community programs is investing in our children. Program continuity will certainly ensure future success so that we may all enjoy a better Prince George's County.

Thank you for your time and consideration. Should you require additional information, please so not hesitate to contact me at (301) 772-4740.

Sincerely,

Mark A. Magaw
Chief of Police
